FOUNDER

MR. M. E. DAVENPORT
1885-1959
DEDICATION

We, the students at Davenport Institute of Grand Rapids, Michigan, are grateful for our President’s competent guidance. May he continue to serve as a reminder of the ideals of loyalty, democracy, and useful citizenship for which Davenport stands. The toils and sacrifices by him has resulted in the fine educational institution we have been privileged to attend.

He has played a major role in the growth and development of our school. Because of his wise and understanding guidance, whether with personal problems of our class activities or in extracurricular activities, he has made life for all of us at Davenport more enjoyable and profitable.

For 16 years Davenport has been enriched by his keen mind and ready wit, and as we prepare to enter the business world, each of us knows that his fine example and influence will inspire us to greater achievement.
ROBERT W. SNEDEN, PRESIDENT
These are the people who make the decisions for the six affiliated Davenport Schools. They meet and decide such questions as expansion of courses, as well as expansion of the physical land. The six schools include Davenport Institute, Grand Rapids; Detroit Business Institute, Detroit; Lansing Business University, Lansing; Parsons Business School, Kalamazoo; Saginaw Business Institute, Saginaw; and Northeastern School of Commerce, Bay City.
