The program covers every phase of grooming conceivable, and the future career girl emerges on graduation with her best potentials emphasized.

This course sets the wheels in motion toward an improved appearance with an intelligent, realistic goal—helping the student realize that she should not strive for what she cannot be—but rather to be the most attractive version of what she is!

The Art of Living is an AWS activity designed to bring monthly programs of interest to our college women. The programs are planned through a student committee plus a faculty advisor. Linda Nuyen has done an excellent job in programming this year.

Art of Living meets once a month in our new lecture hall. All college women are invited to attend. There is no charge. When appropriate, the fellows are invited too. We also strive to make students on other college campuses in the Grand Rapids area more aware of some of our activities.

The following programs were presented during 1968-69:

September—Mrs. Voss, Dean of Women
   Special Guest: Mary Ann Rivers (Folk Singer)
October—"The World as I See It" (Slides from around the world shown by our own Miss Lennon)
November—"Standing Room Only" Planned Parenthood Panel
January—"Two for the See Saw" at the Civic Theater
February—Mrs. Bernice Gwin, Nancy Taylor Representative
March—"Phoebe," a timely film; Special Guest: Mr. Pat Raygan
